## New Shelters & Accessories for 2012

### Experience™ Series

*Built with versatility to handle anything from the light snows of early fall to ultralight summer nights.*

#### Nook™

Designed specifically for small, backcountry camp sites, the Nook tent offers a unique experience, providing plenty of living space in a tent that doesn't take up a lot of space to begin with. An interior volume of 48 cubic feet (1359 liters) with a 38-inch (96 cm) interior peak height allows two campers to sit up side-by-side throughout the length of the tent. Mesh windows, fly vents and DuraShield™ waterproof coating minimizes condensation and provides increased durability over time. Freestanding option with use of a trekking pole.

<b>Nook</b>	1 door, 1 vestibule
Capacity:	2
Minimum Weight:	1.42 kg   3 lbs. 2 oz.
Floor + Vestibule Area:	2.6 + .56 sq. m   28 + 6 sq. ft.
Interior Peak Height:	96 cm   38 in.
Livable Volume:	1359 + 255 L   48 + 9 cu. ft.
Retail USD:	\$399.95
Release Date:	January 2012

#### Carbon Reflex™ 2

Providing full-featured room for two at the weight of many one-person tents, this is the lightest two-person double wall tent available under the MSR® brand, due to carbon fiber poles and an efficient pole design. Updated 2012 model includes more livable space for two with two doors and two full vestibules at only 3 lbs.

<b>Carbon Reflex 2</b>	2 doors, 2 vestibules
Capacity:	2
Minimum Weight:	1.36 kg   3 lbs.
Floor + Vestibule Area:	2.5 + 1.6 sq. m   27 + 17.5 sq. ft.
Interior Peak Height:	102 cm   40 in.
Livable Volume:	1105 + 382 L   39 + 13.5 cu. ft.
Retail USD:	\$499.95
Release Date:	January 2012

#### MudMats™

An optional fabric floor designed to fit MSR tent vestibules provides a clean, sheltered area for people, pets or gear. Easy attachments at each corner make it simple to use.

MudMat1:	Fits all Experience™ Tents (Except Nook™ Tent)
MudMat2:	Fits Nook™ Tent
Retail USD:	\$19.95
Release Date:	January 2012

## Shelter Accessories

The new MSR® Shelter Accessories line provides outdoor adventurers with a complete set of solutions to maintain, enhance and secure any tent.

### Carbon-Core™ Tent Stakes

At less than 6 grams each, the Carbon-Core Tent Stakes weigh less than 6 paper clips, making them the lightest full-strength tent stakes on the market. Constructed with an ultra-strong carbon fiber core and aluminum skin, the stakes also feature a poly-carbonate head that is easy to push in and pull out. An aluminum tip delivers lasting durability. Made in USA. Sold in set of four.

Weight: 5.75g | .20 oz.  
Size: 15 cm | 6 in.  
Retail USD: \$27.95  
Release Date: January 2012

### LED Tent Light

This convenient, lightweight night-light attaches to any tent with magnets that slide easily across the tent walls, providing light where needed. An LED bulb produces 6 Lumens and batteries last 10 hours. Offers high, low, strobe, signal and storage modes; red LED light option does not disturb vision at night.

Colors: Black w/White Light or Red w/Red Light  
Retail USD: \$14.95  
Release Date: January 2012

### CamRing™ Cord Tensioners

Unique ring design locks cords securely and adjusts easily, even with gloves. For use with cords from 1.5mm to 3mm. Sold in set of four.

Retail USD: \$9.95  
Release Date: January 2012

### Mesh Tent Storage Duffel

Ideal for long-term storage of tents and tarps, the breathable mesh top of this tent storage duffel helps prevent moisture damage while the design minimizes stress on fabrics, seams and zippers.

Retail USD: \$24.95  
Release Date: January 2012

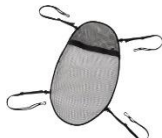

### Reflective Guy Line Markers

Hook and loop strap design attaches easily to tent or guy lines, providing added visibility, day or night. Sold in set of four.

Retail USD: \$17.95  
Release Date: January 2012

### Universal Gear Loft

Space-saving overhead gear storage with zippered pocket adjusts to fit nearly any tent. Mesh construction is light and compact.

Retail USD: \$24.95  
Release Date: January 2012

## Cylone™ Tent Stakes

This new tent stake design offers solid anchor points in softer ground, ideal for securing large tarps and wings. Set of four stakes include reflective cord loop on each.

Weight: 35g | 1.23 oz.  
Size: 25 cm | 10 in.  
Retail USD: \$24.95  
Release Date: January 2012

## Bulk Tent Stakes

### Blizzard:

Weight: 23g | .8 oz.  
Size: 24 cm | 9.5 in.  
Retail USD: \$4.95 each

### Mini GroundHog:

Weight: 10g | .3 oz.  
Size: 15 cm | 6 in.  
Retail USD: \$2.99 each

### GroundHog: (Also available in set of 8)

Weight: 16g | .6 oz.  
Size: 19 cm | 7.5 in.  
Retail USD: \$2.50 each

Release Date: January 2012

## Ultralight Utility Cord Kit

Ideal for hanging food and guying shelters, the Ultralight Utility Cord Kit includes 4 CamRing™ Cord Tensioners and 49.2 feet (15 m) of 1.8mm nylon cord.

Retail USD: \$19.95  
Release Date: January 2012

## Reflective Utility Cord Kit

This kit features highly reflective cord for maximum visibility to minimize tripping and aid in locating gear. Ideal for hanging food and guying shelters, the kit includes 4 CamRing Cord Tensioners and 49.2 feet (15 m) of highly reflective 3mm nylon cord.

Retail USD: \$19.95  
Release Date: January 2012

## Shock Cord Replacement Kit

Made with a silicone core that outlasts rubber and remains elastic to -40°F/C, this easy replacement kit will upgrade any existing tent pole shock cord.

Retail USD: \$19.95  
Release Date: January 2012

## Pole Repair Kit

Quick, adjustable splint for temporary field repairs of tent poles 7mm to 20mm in diameter. Made in the USA of foreign and domestic parts.

Retail USD: \$14.95  
Release Date: January 2012

## Adjustable Poles

This stable, Adjustable Pole is ideal for custom set-up of MSR brand tarp and wing shelters, though it can be used with any shelter. Available in two pole sizes: 5- and 8-foot. Made from light weight and reliable aircraft-grade aluminum.

**5 Ft. | 1.5 m** Adjust from 130-152 cm | 51-60 in.  
Retail USD: \$29.95

**8 Ft. | 2.4 m** Adjusts from 208-259 cm | 82-102 in.  
Retail USD: \$49.95  
Release Date: January 2012

## Dew Rag

Premium PackTowl® fabric quickly absorbs condensation or spills and dries rapidly. Great for drying tent walls or floor; use towel alone or as a sponge in mesh storage sack.

Retail USD: \$14.95  
Release Date: January 2012

## Dry Line Kit

A 12-foot adjustable, reflective clothesline with tensioners and hooks for quick and easy set up.

Retail USD: \$9.95  
Release Date: January 2012

## Universal Zipper Pulls

Reflective, lightweight upgrades for any zipper; replaces metal zipper pulls with a light, quiet alternative. Easy to use with gloves or mittens.

Retail USD: \$9.95  
Release Date: January 2012

## Shelter Wash & Restore

Washes away abrasive dirt and debris, reduces odors caused by mildew and extended use and restores water-repellency. Safe for all tent fabrics. Made in the UK.

Retail USD: \$24.95  
Release Date: January 2012

## Fabric Repair Kit

Quick, easy and permanent fabric repair in the field. Mesh and clear patches repair most tent material. Made in Seattle, USA.

Retail USD: \$14.95  
Release Date: January 2012
